You may have noticed a "Chalice" symbol on some name tags and wondered about it. Chalice Lighters is a program of our district (Central Midwest District) and others. It allows congregations to request special funding up to three times a year for specific types of programs within their congregations.

Emerson Chapel has been a lucky recipient of a Chalice Lighter grant a couple of times (first when we bought our property and needed to put a fence around the parking lot to meet Ellisville requirements; next to help fund our first office administrator). Currently, most requests are to provide growth to a congregation in very specific ways. A "Call" on behalf of the congregation is made to all Chalice Lighters in the district. As a Chalice Lighter (CL) we covenant with other CLs to provide a minimum of \$10 per call (that is, \$10 three times each year) to assist other congregations. It is one way to assist other UUs in our district who are helping to grow UUism.

If you would like to learn more, there is a link provided on the homepage (on the left) of our website ([www.emersonuuchapel.org](http://www.emersonuuchapel.org)) or our ambassador, Barb Brown, would love to talk with you about this great program.
