

Stewards of Emerson

Who are the Stewards of Emerson?

- A. Scottish Rock Band
- B. Ralph Waldo's Fan Club
- C. Dedicated Group who want Emerson UU Chapel to continue even after they have gone

If you answered "C", you are correct! There are some people who truly believe that UUism needs to be "paid forward" through their act of final generosity. That is, they have left Emerson in their wills or trusts. We would like to celebrate this decision. If you have left Emerson Unitarian Universalist Chapel in your will or trust, please let our Minister, the Reverend Krista Taves, know about your wishes.

What is "Stewardship"?

- A. Taking care of something you care about.
- B. Insuring survival of something.
- C. Caring for something you believe in.

Did you answer all of these? You are correct! To insure Emerson UU Chapel can offer our brand of liberal religion in west St. Louis County, it must remain strong. But not only year-to-year during canvass, but also by having an endowment fund which can be used in tough times to insure our survival, even if you aren't here to do it.

Why you? Why now?

- A. If not you, who?
- B. If not now, when?
- C. If not this, what?

If Emerson UU Chapel is an important part of your life, please see (WHO OR WHAT) to discuss your options.

Please consider leaving Emerson Unitarian Universalist Chapel in your will or trust. There are other options, such as a Living Trust, which might benefit you more. You may want to consider discussing these options with your accountant, your tax advisor, or our Association's Planned Giving department.

Please see Stan Herman (email confidentially at Stewardship@EmersonUUChapel.org) for more information.
